Message from the Principal

Dear Calmar Parents and Guardians,

I am writing to share a message of thanks to both you and your children for the positive choices being made each day at school.

Playground Safety - Thank You

Our students have done an excellent job respecting temporary "out of bounds" areas on the playground. As an example, the new large playground structure includes slides that exit at high speeds. With icy conditions at the bottom, we have had to temporarily restrict access to ensure student safety. Students have demonstrated understanding, patience, and cooperation with these safety expectations. Thank you to our students for taking this seriously.

Cell Phones and Smart Watches - Thank You

As you may be aware, Alberta has implemented a ban on cell phone use during instructional time, which also includes smart watches. These devices can be distracting and take away from the learning environment. Our students have been very compliant with this policy and have shown great responsibility by following expectations while at school. Thank you to our students for their cooperation and to families for your continued support.

We truly appreciate the partnership we have with our Calmar families and are proud of the respectful, safety-minded behaviour our students continue to demonstrate.

Sincerely,
Stan Travnik
Principal
Calmar Elementary School

Their show is the perfect blend of music, movement, and language, making it an ideal choice for engaging and inspiring young audiences. They will be at the Maclab Centre for the Performing Arts (in Leduc) on February 21st at 2:00pm. Tickets are free for pick-up at the Leduc Public Library or [online](#).
