Meeting called to order at 7:16pm

2. Welcome and Introductions

Welcomed all new members and discussed some of our favorite things about the school. Some of the things people loved were the staff, the sense of community CES gives, the warm cozy welcoming feeling, knowing everyone in the school, the volunteers, small class sizes, the safety and security level at the school, cleanliness, the school is the heart of the town, being a part of CES feels like a family.

3. Review of Agenda

4. Review of “What is School Council” and Difference between PTA and Sc

Reviewed what school council is: anyone is allowed to attend school council meetings in the community. You do not need a position on our board to vote but you must have a child in the school. We are about getting together to promote child learning and growth, we advise on policies, volunteering, test results, surveys about teachers at our school and promoting school community.
